

## last update for today's trade

Contributed by battle\_the\_pip  
Monday, 28 September 2009

all,

A strong resistance for 1.5900 to be broken. It's not going to happen tonight (hope so)

Hope today's low strong enough to hold this bearish sentiment on GBP.

That's all folks.

Going to sleep now.

See you all tommorow.
